

Essentials of Operations Management with MyOMLab, 2011, Nigel Slack, Robert Johnston, Alistair Brandon-Jones, 0273756192, 9780273756194, Financial Times Prentice Hall, 2011

Essentials of Operations Management is a brand new concise version of the market-leading text Operations Management . It has been developed for students on short courses in operations management - for example, doing an initial course at undergraduate, postgraduate or post-experience level. In these books the author team have set the standards in Operations Management which other textbooks seek to emulate: Expert authorship, an engaging writing style, and an interesting collection of cases combine to communicate the importance of managing operations and processes within a successful organisation.
